

Impact Resistance Property of Long-Fiber-Reinforced Thermoplastic

要旨

Table 1 Materials for impact and pseudo-static tensile tests (PP Verton MFX7008)

	Fiber length (mm)	Melt index of PP	Contents of compatibilizer	Remarks
1	0.79	Low ¹⁾	More ²⁾	Plates molded by an injection machine
2	1.42	Low	More	

Short GF
